****

In the year 1947, the Bangalore press Bangalore, supplied to the Huzur palace Department under an order placed by the Huzur Kamdar, 200 Dasara Greeting cards and forwarded their bills for Rs.53-5-0 to the Huzur Kamdar for payment, who in turn sent them to the treasury for making payment. The State Treasury officer Sandur wrote to the press on 13-12-47 to return all the dies, plates and crests belonging to the state. No reply from the press was available in the file, but it is seen that the printing press insisted on the palace department to settle the bill, who in turn forwarded the correspondence to the Treasury officer. The matter was not however settled before 29-7-48, the day on which the administration of the state was defacto taken over.

The Special officer Sandur wrote to the press on 6-11-48 to retur the dies, crests etc. Only one copper plate was sent to him on 6-11-48 by the press stating that they had no other articles in their custody. There is however no specific list of the articles to be returned by the press and even the copper plate returned had to be returned to the Huzur Secretary as it was claimed as one of the private properties of the Ruler.

The Special officer reports that it was usual before merger, to charge all such expenditure to the state revenues. I consider that this expenditure is a liability on the present administration as it stands unpaid so far, and as it was incurred in connection with the Dasara celebrations, a festival of national importance in the State. I

therefore

therefore request that the Government may be pleased to accord sanction for the payment of the amount of Rs.53/5/- to the Bangalore press. The bills sent by the press are enclosed.
